44th Annual Technical Meeting Society of Engineering Science October 21 - 24, 2007

Texas A&M University, College Station, Texas

The 2007 SES Conference will be held at the Memorial Student Center (MSC) on the Texas A&M University campus in College Station, home to the George Bush Presidential Library and Museum. Other activities are being planned at the College Station Hilton Hotel and Conference Center.

Organizing Committee

Dimitris Lagoudas, Co-Chair	Lagoudas@aero.tamu.edu	Jay Humphrey, Co-Chair	jhumphrey@tamu.edu
Helen Reed	helen.reed@tamu.edu	Gerard Coté	gcote@tamu.edu
William Saric	saric@aero.tamu.edu	Dan Davis	davis@aero.tamu.edu
Vasu Varadan	vvvesm@uark.edu	George Voyiadjis	voyiadjis@eng.lsu.edu
Kumbakonam R. Rajagopal	krajagopal@tamu.edu	Jay Walton	jay-walton@tamu.edu
John Junkins	junkins@tamu.edu		

Call for papers

The Society of Engineering Science (SES) Annual Technical Meeting provides a forum for exchanging ideas, methods, and results among researchers and educators in all fields of engineering science. Abstracts are invited for presentations on research in various fields of engineering science including theoretical and applied mechanics, physics, chemistry, mathematics, bioengineering and related scientific and engineering fields.

Deadlines

Abstract Submission	Acceptance Notification	June 30, 2007
Acceptance Notification		July 15, 2007
Early Registration		September 1, 2007

To submit an abstract or for further information regarding the conference, please go to the SES 2007 website at <http://ses2007.tamu.edu>. If you have questions, please email ses2007@tamu.edu, or call Pam McConal at (979) 845-9409 or Lisa Baker at (979) 845-7178.
